# Testimonials From Past Wedding Couples

"From the moment we decided to have our reception at the Clayton, Karina took exceptional care of us. All of our questions and queries were answered and no request was too big or too small. Every email was answered promptly and every request taken care of efficiently. On the wedding day, things ran extremely smoothly and we had nothing to worry about. We were greeted at the front door by Karina and the staff and from that moment on, we were completely at ease, knowing that everyone and everything would be looked after. The food was of an excellent quality and many of our guest commented on it afterwards. Our guests were also extremely impressed with the Clayton itself, the rooms, the decor and the cleanliness. The staff were first-class, wonderfully friendly and very efficient. I cannot praise Karina and the staff of the Clayton enough. Our wedding day was absolutely fantastic and we will never forget how wonderful the Clayton looked when we arrived and how good the staff were to us. Thanks you so much!!"

"We would like to say a massive thank you to Karina and the team for helping us plan our big day. From our first meeting we knew we had picked the right venue for us. You and your team were truly amazing. Everything was so easy as you went above and beyond to make sure we had everything we needed. We could tell straight away why the Clayton Hotel had won so many awards. The food was outstanding on the day. We had guests coming up to us saying how tasty and how much food they got at the champagne reception. Our meal and evening food was fabulous. I can't compliment the waiters enough. They made sure all the guests were happy and even before the head waiter who was severing the top table left for the evening he checked in with us to see if there was anything we needed and also to let us know he was leaving for the night. This was huge compliment to me and my husband. We wish we could do the day all over again. I can definitely say it was the BEST DAY of our lives!!! Once again thank you for making our day so amazing. We still have people telling us how great the venue, staff and food was."

# Testimonials From Past Wedding Couples

"Well after hearing so much good things about the Clayton hotel in Galway we had to check it out for our wedding. From the moment we met Karina and the team we knew it was the place we wanted to hold our wedding reception. Karina is outstanding at her Job. She makes you feel like her friend. Nothing we asked was ever a problem. On the day itself the staff of the Clayton were excellent. We were treated like royalty from the moment we entered hotel until we left next day. The food was delicious and so plentiful. Our guests were talking about it for weeks after. All of our guests enjoyed the wedding so much and some have told us that it was the best wedding they were ever at. The Clayton is well worth considering for anyone looking to get married in Galway. You will not be disappointed."

10th June 2016

"We can't thank Karina enough for all she and your team did for use on the run up to the wedding and the wedding day itself. From the moment we meet with her for the first time she made us feel so special and at ease about the wedding planning process. Nothing was to much hassle!! We couldn't have asked for more. Not only did we notice how amazing all the staff in the Clayton are so did a number of our guests. People have been coming up to us telling us how much they enjoyed the wedding and how friendly and helpful all the staff where, from the reception staff to the ballroom staff. One of the reception staff even fixed my bridesmaids dress when the button popped!! The food and wine were fantastic and everyone raved about it. Karina thank you so much for everything you and the Clayton staff did for us. You made our wedding a day we will never forgot. We would definitely highly recommend the Clayton Hotel as a fantastic wedding venue. Thank you so much again."

**Aoife & Gavin Tierney**

30th April 2016

"After our first meeting with Karina we knew we would be looked after to the highest standard and from that day until we left the hotel as Mr & Mrs Kelly nothing had changed. Karina was always on hand to answer any questions we had throughout the planning, from accommodating any additional requests we had to making suggestions for all the decisions that went into making our day so special. Valerie never seems to stops smiling and nothing we wanted was ever a hassle for her. Cathal's easy going nature put us and our wedding party completely at ease on the big day itself and steering us through all the formalities of the day. Since the wedding we have heard nothing but positive things from our guests about the Hotel. The food and drinks on arrival was thoroughly enjoyed by all and the meal was just amazing. Everyone has complimented the service, the beauty of the hotel and the beautiful guest rooms. We cannot recommend The Clayton Hotel Galway highly enough and are just sorry we can't have the day all over again!"
