Testimonials From Past Wedding Couples

"We had our wedding reception in the Clayton Hotel in August. From our very first meeting with Karina right up until our wedding day she was amazing! Nothing was a problem, no matter how many times I changed my mind! Karina, Carmel and Michéal and all the staff at the Clayton are just simply top class! We couldn't of asked for a better team to look after our big day! The food was amazing, everybody was so happy about it. Those who stayed loved the comfort of their rooms. The service was impeccable, they have an amazing ability to create a relaxed atmosphere while maintaining the highest level of professionalism. They made us feel so special, nothing was an issue, even when our 2 year old son had enough and our babysitter needed to bring him to the room in the middle of the meal they made sure her dinner was brought up to her and that his toys got up to the room to him too. The ballroom looked amazing and exactly as we wanted it! All the extra bits and pieces we had left in were put in their place by the staff, we really didn't have to worry about a thing! We can't thank everybody at the Clayton enough for making our day so special! We also had a BBQ the day after and the same level of impeccable service was carried through to this, and again the food was fab! So if you're considering the Clayton for your big day then go for it! It's an amazing hotel, with an amazing bridal suite too! The staff are top class, so friendly and helpful! You will not regret booking your wedding here! To Everyone at the Clayton, thank you so much!!"

"Karina and staff. Thank you for all you that you did for us for our wedding on the 6th September 2019. From the moment we met Karina we knew that it was the venue for us. She is so genuine and passionate about her job and I truly believe she loves coordinating weddings! Nothing was too big or small for her and the team in the Clayton! The running of the day was exceptional, like true professionals! I only received positive feedback from the guests regarding the food and service and I have to say Carmel is also a huge asset to the Clayton!

We couldn't have asked for a better wedding and even the day 2 BBQ was perfect. Thank you so much and we will never forget your kindness. We won't hesitate to recommend ye.

"We got married in the Clayton hotel and we are so happy with everything. The venue was beautiful and all my guests commented on how lovely the food was and how much finger food was at the reception. There was such a selection of food and loads of it. The meal was gorgeous and piping hot. The staff Karina and Carmel were so helpful on the day and before the wedding also. The bridal suite is the nicest I have seen and it was a treat to have two nights staying in this. Overall we are so happy with how our day went and delighted that we chose the Clayton for our big day."

"We had our wedding just over a week ago in the Clayton. We booked it knowing it's wonderful reputation and wedding staff. However, we were blown away with all they did for us on the day. From the reception food/drinks, beautiful decor, friendly staff and fabulous meal, everything was just perfect. Our guests were looked after so well and the amount of compliments we got about the venue was testament to how great it was. Karina is such an asset and any bride and groom would be lucky to have her. Credit to Carmel & Noel too. To any prospective couples we would 100% recommend having your wedding here. It made the day even more special knowing the care and attention we were receiving. Thanks again to the Clayton and all the staff for a truly memorable day."

"Recently got married at The Clayton and we're so happy we chose it as our venue. The staff were fantastic. Karina just made the whole experience stress free and so enjoyable. Her attention to detail, knowledge, personality and her can do attitude made The Clayton stand out above any other venue we looked at. Karina remained a joy the deal with from day one to D day! Everything about the Clayton was perfect on our big day. The food was amazing, the reception was stunning, the decor, the staff, the way the looked after us, the list goes on. The little personal touches were such a treat. They literally thought of everything. We had such a relaxed day knowing that we were in such capable hands. Thank you so much to all of the events staff who made our day everything we dreamed it would be!"
